

Chennai Pilot Summary

PVG-EV - Prime Ventures Global | Generated 2026-07-17

PVG-EV Chennai pilot preparation resource.

Pilot objectives include customer demand assessment, operating workflows and response plan.

Deployment depends on Setrans approval, testing, certification and operational readiness check.

Organisations can register interest for evaluation through the PVG-EV pilot programme page.

For enquiry and pilot evaluation, visit the PVG-EV website and submit your charging requirement.
